Dear Pupils of St. Peters Primary School,

I am writing to thank you for your generous donation of £165.60 to support young people with cancer, please pass on our thanks to everybody involved.

Every day, seven young people aged 13-24 hear the words "you have cancer".

Cancer doesn't just devastate their health. It threatens to take away everything they care about – their identity, their independence, and their dreams.

This support will help us to fund specialist nurses, youth support teams and hospital units within the NHS to provide the very best care and support during treatment and beyond, making sure cancer doesn't stop young people living their lives. We're the only UK charity dedicated to meeting this vital need and it is only possible with your support!

If you would like to consider fundraising for us again and continue to make a difference by helping us to ensure no young person faces cancer alone, some great ideas can be found on our website, just search for easy fundraising ideas.

Thank you again for your generosity!

With best wishes

Carol
