

St. Peter's R.C Primary School
KEYS TO THE FUTURE

Chair's report

Welcome everyone and thank you for coming to our AGM.

The objective of the PTA is to enrich our children's school experience and help to advance their education. We do this through fundraising and developing effective relationships between the staff, parents and others associated with the school. As staff, parents and carers of children at the school we are all members of the PTA, and it's fantastic that you are here to support your children's journey through both the school and the work of the PTA.

The PTA is currently run by a committee of ten elected members. The committee is elected each year at the AGM. The AGM is the only formal meeting held. In addition to this, we hold termly committee meetings. We are hoping that as covid restrictions are lifted, that we will be able to hold more open meetings where all are welcome. The committee is governed by the terms set out in our agreed constitution. A copy of this is available on request.

As this was the first year that the PTA was running, our main focus was on raising funds. Due to the covid restrictions, we were unable to host any events that were open to the whole school community. However, we did manage to raise some much needed funds through the following events:

- Non uniform day
- Crazy hair day and ice-lolly sale
- Christmas card design scheme
- Christmas raffle

The committee were also able to support the year 6 parents in organising a fantastic leavers party for the leavers of 2021.

Whilst no major purchases have been made during the last year, the PTA was able to fund Christmas treat bags for all pupils and also assist in obtaining charitable donations of Christmas chocolates which were used as prizes for class Christmas events. The committee vote on any spending to ensure fairness, transparency and that monies spent are for the purposes set out in our constitution.

Over the next few months, we have some great events planned:

- Sponsored bounce
- Class Jubilee parties and coffee afternoon
- Summer BBQ and fayre

In the Autumn term we are hoping to be able to run a Christmas fayre, another raffle and other great events.

We will need support of staff, parents and carers to be able to host all of these events. You don't need to be a committee member to be involved.

Finally, I want to take this opportunity to thank my fellow committee members for all of their support over the past year. It has been a learning curve for all of us but we have managed to do it as a team. I also want to thank the staff at the school, particularly Mrs Carey, for their continued assistance. Last but not least, a huge thank you to all the parents who have continued to support each of the events that we have held. Without your support and donations, none of this would be possible.
