ROAD SAFETY - NEWPORT RD

Following an email expressing extreme concern from a commuter who has witnessed numerous 'near misses' involving vehicles and parents crossing Newport Road with their children, we must remind you of the following:

The safety of our pupils is always our top priority. When bringing your child to school, please take extra care when crossing Newport Road, as it can be very busy during drop-off and pick-up times.

- Use designated crossing points wherever possible.
- Hold your child's hand when crossing the road.
- Avoid stepping out between parked cars - wait until you have a clear view of traffic in both directions.
- Do not rush - take your time to ensure it's safe before crossing.
- If driving, please park responsibly and never block crossings or driveways.

Thank you for keeping every child safe on their journey to and from school.
